

# NOFX, Thank God Its Monday

Im gonna tell you what I really think I like about Monday  
Cause they fell like Saturdays  
When you dont have to go to work, every day is a holiday  
I wake up when I want to, I do anything I wanna do  
Cant wait for Tuesday  
I really dont like Fridays I cant do what I wanna do  
Sold out at the movies, cant eat at the restaurant  
Everybody wants to party, but the bars full of cigarette smoke  
I think Ill stay home, I think Ill wait for Monday

I live a five day weekend, I gotta year long holiday  
Thanks god its Monday

The only place I gotta be is the show or on the first tee  
Thank god its Monday  
Never mind aggravation, just give me modulation gimmie another key

Ill tell you why I like Tuesdays, cause theyre kinda like Christmas  
Come to think about Wednesdays, are a little like Hanakah  
Thursdays thanksgiving, Im talking about good living  
I think Ill give thanx  
Thank god its Monday
