

# NOFX, Vanilla Sex

don't ever take away from me my pornography  
we obviously don't agree on what's obscene  
I have the right to choose what I  
want to see and read  
don't try to take away from me  
my right to privacy what I  
do is no one business but me  
so stay in your missionary position  
I hope that you got bored to death  
there's no way I'm going thru life  
having vanilla sex  
the governments trying to get in  
your bedroom you better lock you  
door and close you shades because  
there could be someone watching you today  
why do you try to make things illegal  
why do we have to be 21  
are you afraid that people are having  
too much fun  
why do you care what I do in my bedroom  
why do you want to know how I screw  
it seems to me you've got nothing better  
to do.
