

NOFX, You Can Go Your Own Way

Lovin you isn't the right thing to do
How can I ever change things that I feel?
If I could, baby I'd give you my world
But how can I when you won't take it from me

You can go your own way
You can call it on the lonely days
You can go your own way

Tell me why everything turns around
Backin up, shaking it's all you wanna do
If I could, baby I'd give you my socks
Open up, everything's waiting for you

You can go your own way
You can call it on the lonely days
You can go your own way
