## NOFX, You Can Go Your Own Way

Lovin you isn't the right thing to do How can I ever change things that I feel? If I could, baby I'd give you my world But how can I when you won't take it from me

You can go your own way You can call it on the lonely days You can go your own way

Tell me why everything turns around Backin up, shaking it's all you wanna do If I could, baby I'd give you my socks Open up, everything's waiting for you

You can go your own way You can call it on the lonely days You can go your own way
