

# NOFX, You Drink, Your Dive, You Spill

I say don't drink and drive  
You might spill your drink  
Before you get behind the wheel, just stop & think  
You can take your chances  
But there's so much to lose  
Another bumpy road,  
There's so much wasted booze

I'm not so worried  
About how many I kill  
I'm much more concerned  
With how much beer I spill  
35% of accidents  
Are cause by pixilated  
The other 65% are not  
Alcohol related  
What does this tell us  
About the drunk drivers  
They seem to have a  
Better record than  
the sober team

I'm not so worried  
About how many I kill  
I'm much more concerned  
With how much beer I spill  
With how much beer I spill  
With how much beer I spill
