

Noise Ratchet, Moons Of Mars

You ask me the question,
Why?
I'll give you the answer in time.

I'll give you a drawing.
I'll paint you a picture of Jesus.
He's art.

He is All.
He is all I ever wanted.
He is All.
He is All.

What If I was stranger than angels?
Cause then I would be the one.

Turn around and see.
The waves of the ocean and all the sea.
I'll show you all the moons of mars.
The love of heaven and all the stars.

Cause he is all. He is all I ever wanted.
He's all. He's all.

What if I was stranger than angels?
Cause then I would be the one.

What if I was stranger than angels?
Cause then I would be the one.
