

Noise Unit, Seclusion

Signals fading
under the light
blinded by vision
no end in sight

your hearts a ?
swallowed by tears
? confusion
swallowed by fears

no pretending
that this is ending
the road to you
is gone.....
sleepless nights
buried dreams
hopeless ?
forgotten pleas

It hard to know
what is right
it's hard to keep
up the fight

im living, living
alone again
i'm living, living
the ultimate lie

it's hard to know
what is right
it's hard to keep
up the fight

never be apart
