

NoMeansNo, Long Days

I grew days
I grew them long
I grew them short
I wasted them all away
LONG DAYS...
I wasted them away

Count the hours
Count the minutes
Look into that hole
Can you see what's in it?
LONG DAYS
I wasted them away

See them stretch
Far behind me
See them crouch
Right behind me
See them pass
Right beside me
See them stretch
Out before me
LONG DAYS...
I wasted them away.
