

# NoMeansNo, Long Days

I grew days  
I grew them long  
I grew them short  
I wasted them all away  
LONG DAYS...  
I wasted them away

Count the hours  
Count the minutes  
Look into that hole  
Can you see what's in it?  
LONG DAYS  
I wasted them away

See them stretch  
Far behind me  
See them crouch  
Right behind me  
See them pass  
Right beside me  
See them stretch  
Out before me  
LONG DAYS...  
I wasted them away.
