NoMeansNo, Look, Here Come The Wormies

From deep and dark and dirty Come creeping, crawling, squirming menace, threat To frighten the world socialistic coelomate Segmentated separatist they're tunnelling holes in our home.

Look here come the wormies Look here come the wormies Look here come the wormies They're going to take us all take us away

Sitting in your duplex home talking on the telephone Hungry wormies are very near Anarchaic annelid oligochaeta Revolt overthrow and be overthrown

chorus

Now we've settled down again But the time is coming when wormies will be taking us away
