

Nomy, This Heart Of Ice

As I pray, for what I am
To my God, that made me down
I see myself, in front of me
A man I never choose to be
I turn my face, agenst the sun
And I wish my heart could bern
I force my eyes, to open wide
God you make me cold as ice
You make me, You make me
You make me cold as ice
You make me (You make me)
You make me (You make me)
You make me cold as ice
A stone of ice, it's what you gave
inside of me, inside of light
I can not cry, I never done
And my question now is why?
I turn my face, agenst the sun
