## Nonpoint, Mindtrip

You're about to take a mindtrip So get your ticket stamped Pack your thoughts on up And set yourself To rant and rave I'll pave the way And clear a path For all the aftermath That's gonna happen When these verses hit Your bony ass Bon Voyage I'll check you later Now check your reason Was it all for pleasing Or was it all misleading Or do you need a quide Brother check your side I'm gonna take you on a joyride Trip inside your mind Trip inside your mind Trip inside your mind Trip inside your mind Feels good and separate yourself It feels real good I think I kicked in another 12 hours I'll be back again the vitamin C Is making me C The visual dreams All the colors and the schemes The visual dreams The light from the moon Screams shuttering Laughing to breathe Separate yourself I'm gonna take you on a mindtrip I'm gonna take you on a mindtrip I'm gonna take you on a I'm gonna take you on a I'm gonna take you on a Separate yourself Separate yourself This neverending story is ending finally The scheme of things The ways of life You step into the pit Of the heart, the mind, body, and soul These griffin roles You'll soon be playing them alone Jester jokes told again And then you say we're friends Well I'm laughing and coughing Set me off and check the character of this cartoon Delusions you are seeing Are coming real real real soon Trip again You're my only friend I wanna trip I wanna trip again Trip again You're my only friend I wanna trip I wanna trip again I wanna trip again I wanna trip again I'm gonna trip again Trip again trip again trip again I wanna trip again Separate yourself Separate yourself I'm gonna take you on a mindtrip I'm gonna take you on a mindtrip Separate yourself Separate yourself Separate yourself Separate yourself Separate yourself Separate yourself

Separate yourself

Separate yourself Look inside You're gonna find me there Looking for your simple pleasure
