

# Norbert Legieć, Learn to let go

That shitty weather  
Mornings at the door  
Favorite sweater  
I Dont have it anymore

□

Couting sheep under candy skies  
Losing sleep over bloodshot eyes

□

Remember 16?  
Hidin from the cops  
Sick off whiskey, yea  
Still we didnt stop

□

Dancing round in the city lights  
I remember feelin so alive

□

And Its alright  
Close your eyes, and take a deep breath  
Yeah (x2)

□

So Jump in the car (x3) oooo  
Forget who you are  
Under the stars  
jump in the car  
how lucky we are (x3) ooohoo  
Jump in the car (x3)  
And Learn to let go

□

yeah yeah oohh  
Learn to let go  
Learn to let go□  
oooo ooo oo□  
learn to let go  
ooo ooo ooo  
learn to let go

□

Back to the summer when we started to drive  
Things were so easy never had to decide

□

When would we grow up?  
When are we gonna die?  
No time to get stuck  
You dont get a second try

□

We were 16  
Hidin from the cops  
Sick off whiskey  
Still we didnt stop

□

Dancing round in the city lights  
I remember feeling so alive

□

So Jump in the car (x3)  
Forget who you are  
Under the stars  
jump in the car  
how lucky we are (x3)  
Jump in the car (x3)  
And Learn to let gooooo

□

□

yeah yeah oohh  
Learn to let go  
Learn to let go□

0000 000 00□
