

Nordafrost, The Hall Of The Pagan Martyrs

The last days of this world have come
Of this world in its current form
Our mightiness of baldur lies down in weakness
His death marks the beginning of the end

The world's now crumbling down
Ragnarok, the final chaos
The realm is burning
Midgard lies down in ashes

It's total war the battlefield's on fire
Brave warriors fighting till the end
Broken bodies scattered on the dead soil
Only the bravest get animated again

The world's now crumbling down
Ragnarok, the final chaos
The realm is burning
Midgard lies down in ashes

Those einherier they will return
To existence in the hall of pagan martyrs
Witnesses of baldur's return
And the creation of a new-formed realm

The hall of the pagan martyrs
