

# Norma Jean, Amigo's Guitar

Tonight they're singing in the villas tomorrow you'll be gone so far  
Hold me close and say you love me while Amigo plays his blue guitar  
Ay ay ay ay the moon is lonely tomorrow I'll wonder where you are  
Manana morning my darling I'll be blue as Amigo's guitar

[ ac.guitar ]

They've hushed their singing in the villas all is quiet beneath the stars  
Amigo plays Hasta Luego upon his lonely blue guitar  
Ay ay ay ay the moon is lonely...
