

Norma Jean, Another Man Loved Me Last Night

He doesn't know that I can't look him in the eyes
Or that I can't speak or I'll start telling lies
I hope he thinks that I'm just moody and quiet but another man loved me last night
Yes another man loved me last night I'd almost forgotten what love was really like
But I'm only human only a woman I let another man love me last night
(steel)
While he's sleepin' well I'm cryin' here awake
Not being loved was more than I could take
Though it was wrong there in his arms it seemed so right
When another man loved me last night
Yes another man loved me...
