

# Norma Jean, Farther Along

Tempted and tried we're oft made to wonder why it should be thus all the day long  
While there are others living about us never molested though in the wrong  
Farther along we'll know all about it farther along we'll understand why  
Cheer up my brother live in the sunshine we'll understand it all by and by  
[ steel ]

When death has come and taken our loved ones it leaves our home so lonely and drear  
Then do we wonder why others prosper living so wicked year after year  
Farther along...
