

# Norma Jean, Once A Day

When you found somebody new I thought I never would  
Forget you for I thought then I never could  
But time has taken all the pain away up to now I'm down to hurtin' once a day  
Once a day all day long and once a night from dusk till dawn  
The only time I wish you weren't gone is once a day every day all day long  
( steel )  
I'm so glad that I'm not like a girl I knew one time  
She lost the one she loved then slowly lost her mind  
She sat around and cried her life away lucky me I'm only crying once a day  
Once a day all day long...  
Once a day every day all day long
