

# Norther, Tell Me Why

Your eyes that see things that are not real  
Your wicked smile and cries, but who can believe

Your words that seem to me too much to take  
Your mind relies on the fact that it just might break

Who do you think you are?  
What do you think you can accomplish?  
Come on, you ain't real

Show me why to try, just tell me why  
Come on, you ain't real

Tell me why, tell me why to believe your lies

Baby,  
Come on, you ain't real  
Tell me why,  
tell me why to try, just tell me why  
Baby,  
Come on, you ain't real  
Tell me why,  
tell me why to believe your lies  
Tell me why,  
tell me why to believe your lies
