

Norther, Tell Me Why

Your eyes that see things that are not real
Your wicked smile and cries, but who can believe

Your words that seem to me too much to take
Your mind relies on the fact that it just might break

Who do you think you are?
What do you think you can accomplish?
Come on, you ain't real

Show me why to try, just tell me why
Come on, you ain't real

Tell me why, tell me why to believe your lies

Baby,
Come on, you ain't real
Tell me why,
tell me why to try, just tell me why
Baby,
Come on, you ain't real
Tell me why,
tell me why to believe your lies
Tell me why,
tell me why to believe your lies
