## Northern Kings, We Don't Need Another Hero

Out of the ruins Out from the wreckage Can't make the same mistake this time We are the children The last generation We are the ones they left behind And I wonder when we are ever gonna change it Living under the fear 'till nothing else remains

We don't need another hero We don't need to know the way home

All we want is life beyond, the thunderdome

Looking for something we can rely on There's got to be something better out there: Love and compassion Their day is coming All else are castles built in the air

And I wonder when we are ever gonna change it Living under the fear 'till nothing else remains All the children say:

We don't need another hero We don't need to know the way home

All we want is life beyond, the thunderdome

So, what do we do with our lives? We leave only a mark! Will our story shine like a light? Or end in the dark? Give it all or nothing

We don't need another hero...

We are the children... And I wonder when we are ever gonna change it... Nothing else remains... The last generation

We don't need another hero Out of the ruins Out from the wreckage
