Iluvitwhenya

iluvitwhenya plug it in nice and slow iluvitwhenya got no place to go
iluvitwhenya give me that time for free
I said, iluvitwhenya ya iluvitwhenya ya

iluvitwhenya make it all rhyme for real
iluvitwhenya got that sex appeal
iluvithwhenya leave it all up to me
I said, iluvitwhenya ya iluvitwhenya ya

iluvitwhenya lend me those beat cds
isolate me up in the booth all night please
you could rock the joints I could serve the drinks
and I don't give a damn what your mama thinks
line it up on a grid go ahead punch me in
let me do it myself and let me do it again
bring it back one time make it mine- all mine
give me more for my money make it blow my mind

know that it won't do me wrong
need it like my favorite song
round and round we go and then
stuck up in my mind again (2X)

my girlfriend knows how I like to rock it
we lock in rhythm right in the pocket

iluvitwhenya plug it in nice and slow
iluvitwhenya got no place to go
iluvitwhenya give me that time for free
I said, iluvitwhenya ya iluvitwhenya ya

iluvitwhenya make it all rhyme for real
iluvitwhenya got that sex appeal
iluvithwhenya leave it all up to me
I said, iluvitwhenya ya iluvitwhenya ya

iluvitwhenya feed it to me line for line
take it page by page let me rhyme for days
make me healthy and wealthy and wiser for you
I excel when you tell me just how I should do- true
Lately I'm feeling like I run the show so just turn up the level cause I want to know
Can you serve up the treble the bass and the beat
Can you make me record and breakfast to eat?
Iluvithwhen he wakes me up to play in the middle of the night
I could write a whole song about his appetite
He likes it when I'm in charge and when I take control
And so I tell him how to rock and when it's time to roll
And then my boyfriend says I could change my mind
From the top to the bottom or from behind
And as soon as it's done he wants to press rewind
He says- baby, play it one more time

iluvitwhenya plug it in nice and slow
iluvitwhenya got no place to go
iluvitwhenya give me that time for free
I said, iluvitwhenya ya iluvitwhenya ya

iluvitwhenya make it all rhyme for real
iluvitwhenya got that sex appeal
iluvithwhenya leave it all up to me
I said, iluvitwhenya ya iluvitwhenya ya

know that it won't do me wrong
need it like my favorite song
round and round we go and then
stuck up in my mind again (2X)
