

# Not By Choice, Broken

Broken heart, is broke in two  
And now I don't know what to do  
Because you left, without a trace  
And now I'm left without a place  
Once in love, now it's all gone  
And so for you I write this song  
Doubt those words, you used to say  
And now the price I have to pay

Cuz when you want me, it feels so right  
When you want me, all thru the nite  
When you want me, all thru the nite  
It's so right

Once in love, now it's all gone  
And so for you I write this song  
And all those words, you used to say  
And now the price I have to pay

Cuz when you want me, it feels so right  
When you want me, all thru the nite  
When you want me, all thru the nite  
It's so right

Broken heart, is broke in two  
And now I don't know what to do  
Because you left, without a trace  
And now I'm left without a place

Cuz when you want me, it feels so right  
When you want me, all thru the nite  
When you want me, all thru the nite  
It's so right

When you want me  
It's so right
