

Not By Choice, Maybe One Day

I see you every single day
But you don't know
the way I feel
I feel about you
And every Single Day
it's all the same
the way I feel
I feel about you

I know it's wrong
and I don't know why
I write this song
for you

I want you to want me
And I know that you can't see me
but maybe one day you'll belong to me
And I don't wanna see you
if you're tellin lies to me
but maybe one day you'll belong to me

You don't even know my name
and you never will
cuz thats the way it always goes now
I wanna talk to you but you're not there
and thats the way it always goes now

I know it's wrong
and I don't know why
I feel this strong
for you

I want you to want me
and I know that you can't see me
but maybe one day you'll belong to me
And I don't wanna see you
If you're tellin lies to me
But maybe one day you'll belong to me

I wish I had the chance to really get to know you
But I don't know what to say
I wish I had the chance to really get to know you
And I hope I get my way
Hope I get my way

I want you to want me and I know that you can't see me
And maybe one day you'll belong to me
And I don't want to see you if you're telling lies to me
And maybe one day you'll belong to me
