

Not By Choice, This Is The End

I think I need a change
A chance to get away
But you will never let me go
And anything you want
You always get
You know I could never tell you

This is the end I'm going away
I don't know if I'll be back again
This is the end I'm going away
I don't know if I'll be back someday

I'm moving away so catch me today
You will never see my face around
And do you even care when I'm not there
Cuz you always seem to bring me down

This is the end I'm going away
I don't know if I'll be back again
This is the end I'm going away
I don't know if I'll be back again

This is the end I'm going away
I don't know if I'll be back again
This is the end I'm going away
I don't know if I'll be back someday

Cause this is the end
And I don't know if I'll be back again
