

Not Like Them (NLT), Go

I wake up in the morning and I'm thinking of you
(I'm thinking of you, yea)
Believe me you got me thinking I've got something to lose
(something to lose, no)
I gave you everything I got babe and in return
(and in return)
You pull away and there is a distance I don't deserve
(I don't deserve, no)
What happened to friendship
What happened to trust
We went separate ways
And baby somewhere in the middle was us
I've gotta say something
I'm first to the phone
Girl I wanna be with you
Its better now
Girl you can go
I don't understand
Why you pull away your hand
But its happened too many times
I don't wanna care
Bout your love if love is there
But the heart you're about to break is mine
So it's better that you
Go, go go go girl go girl just go
I said it's better that you
Go go go go girl go girl please go
So it's better that you
I'm not trying to play girl
It's not like that, no
I ain't trying the game girl
To win you back, no
Thought we had something like
Just what I wanted
Everything I needed
Girl you completed me
But that's the problem, yea yea
And I don't know how to solve it, no
What happened to friendship (friendship)
What happened to trust (happened to trust)
We went separate ways
Baby somewhere in the middle is us
I've gotta say something (say something)
I'm first to the phone (oh whoa)
Girl I wanna be with you
It's better now
Girl that you go
I can't understand
(oh ah)
Why you pull away your hand
But it's happened too many times (happened too many times)
I don't wanna care
Bout your love if love is there
And the heart you're gonna break is mine (said the heart you're about to break)
So it's better that you
Go, go go go girl go girl just go
I said it's better that you
Go go go go girl go girl please go
So it's better that you
Oh I have to tell you something might upset you
You know I loved ever since I met you
But you got me troubled and I'm sick 'cause you don't want to
And now I feel ashamed
Cause I just have to say

Go ahead girl walk away
Go ahead girl walk away
Go ahead girl walk away
Walk away
Go ahead girl walk away
Go ahead girl walk away
Go ahead 'cause can't say just what I'm feeling when I'm next to you girl
I don't understand
Why you pull away your hand
But it's happened too many times (say what happened to trust)
I don't wanna care (she went away)
Bout your love if love is there
And the heart you're gonna break is mine (said it's mine)
So it's better that you
Go go go go girl go girl just go
I said it's better that you
Go go go go girl go girl please go
Time for you to go go
No no no
Time for you
'cause it's better that you
Time for you
Time for you
Said it's better that you
