

# Not Like Them (NLT), Rose

My love  
Don't you know you're all  
That i think of  
Many days have gone  
I'm away from you  
Said you'd be at home  
Just waitin' by the phone  
Still ain't talk to you  
My love  
Thought we understood  
That my heart's true  
I'm running out of time  
Girl I need you  
I spend it my last time  
I'm not gon' sleep tonight  
'Til I hear your voice  
Where is my rose?  
The one i gave to you  
Where is my rose?  
Don't say we're through  
Where is my rose?  
You know I'm missin' you  
Has it wilted in the cold  
Where is my rose?  
(Yeah, yeah)  
Where is my rose? (yeah)
