

# Not Like Them (NLT), She Said, I Said ( Time we

[Verse 1 - Travis]

Don't know where to start 'cuz something ain't going right  
Feel it in my soul 'cuz I've tried, oh baby  
Tried to keep you satisfied, please don't cry  
I just think we both need time  
I just feel that we are in the same room  
But living two worlds apart  
And it's causing too much pain

[Chorus]

She said, "Baby can you please just stay  
It ain't too late to work this thing out,"  
I said, "Girl this ain't easy for me,  
At least the truth is coming out"  
She said, "Why can't we make up like the last time,  
I'm just afraid to hear you say go."  
I said, "Baby I'm sorry,  
I think it's time we let go."  
"Baby don't leave, don't leave, don't leave,  
Tell me you'll stay, you'll stay, you'll stay"  
"Gotta leave, gotta leave, gotta leave 'cuz  
I think it's time we let go"

[Verse 2 - Kevin]

See these teardrops falling from your eyes (from your eyes)  
That don't change my mind (oh baby)  
Please don't make things more difficult then they gotta be  
I can't take no more  
This is killing me  
And everytime I look at you  
I see more reason for me to leave you,  
And it's causing me too much pain yeah!

[Chorus]

She said, "Baby can you please just stay (stay)  
It ain't too late to work this thing out, (I said)"  
I said, "Girl this ain't easy for me,  
At least the truth is coming out (coming out)"
