

Notarthomas Jamie, Ballad Of Judas

Well the rain's been pourin' down
Fallin' to the ground like the first time it's cried since birth
I'm talkin' 'bout a wonder love, a fallen love
Just falling down to the ground
Well sometimes I feel like Judas
With an arrow like a kiss
Cupid aimed at Judas, but he missed
I'm talkin' 'bout a wonder love, fallen love
Just falling down to the ground
Well the sun is gonna shine anytime
But right now the rain keeps pourin' down
Fallin' to the ground like the first time it's cried since birth
Well I'm talkin' 'bout a wonder love, fallen love
Fallin' 'down, down
Talkin' 'bout a wonder love, fallen love
Just falling down to the ground
