Wooooooh...

Mi-Mi-Mi-Mi flow...

Baby Ranks!

(Featuring...)

(N-n-n-n-n-Notch...)

Respect...

If, if, if, if, if...

If you ever change your mind

Only turn back the hands of time

Cross my heart and hope to die

I don't wanna see you cry

I don't wanna see you cry

Can't take this one side affair

I know for you it's much to bear

When you're drowning in despair

Just know I'll always be right there

Right there, right there, right there...

(Verme...) No, no, don't want no more

Maybe you're gonna regret it someday

You feel that you'd be better off

But it's still your loss

And you know it, take it

Take it as a loss

You'll regret, the very thing

When you just up and left

You can act you're better off

But it's still your loss

You'll regret it, regret, regret

No ser fcil olvidarte de m

Yo te hice feliz, lo sabes, lady

, baby, te quiero a ti

No pienses que yo ir por ti

Now you're calling, you're feeling lonely

Hoy sentirs lo que yo senta por ti

Se que hay un dolor y un vaco muy dentro de ti

Pero fue lo que decidiste, lady

Que quieres de m, recuerda de que al fin

Arrepentida vuelves t aqu

Necesitas verme y regresas por m

Se que te mueres por mi...

No puedes olvidarme...

Estoy en tu piel...

Lo sabes bien...

No quieres perder...

Ni un minuto sin m ser...

Arrepentida estas, no finjas mas...

Verme no quieres mas, y tal vez...

Te arrepentirs, yo se...

Sers tu quien perders...

Sers t, t lo sabes...

Verme no quieres mas, y tal vez...

Te arrepentirs, yo se...

Sers tu quien perders...

Sers t, t lo sabes...

Everybody need to take time to reflect

Take a space and put things in prespect'

Soon as you realize

And start to regret

And get a better hope

And get a better hope  
And get a better hope  
Correct, correct...  
Girl, you move me  
Lose me, I love your body  
Girl, I want your body  
Hold her strong...  
Girl, you move me  
Lose me, I love your body  
Girl, I want your body  
In my arms...  
The way you move me  
You just lose me  
Girl, you just...  
Girl, you just...  
Girl, you just lose me  
Girl, you just lose me
