

# Nothing But Thieves, Ban All the Music

Cut me off from the rest of the world  
It's my addiction  
It turns me on

It's oh-so quiet, my end of the world  
Ban all the music  
It's all gone wrong

This is, this is it  
They're tryna take it from me  
Got this, this is it  
Won't let them take it from me  
Play an illegal song  
Turn it up louder  
Play an illegal song  
Turn it up louder

There's a buzz in the air, I've been told  
It's my affliction  
Been sick so long

Switching off all the noise I've been sold  
Ban all the music  
It's all gone wrong

This is, this is it  
They're tryna take it from me  
Got this, this is it  
Won't let them take it from me  
Play an illegal song  
Turn it up louder

Play an illegal song  
Turn it up louder  
This is, this is it  
They're tryna take it from me  
Got this, this is it  
Won't let them take it from me  
Play an illegal song  
Turn it up louder  
Play an illegal song
