

Nothing Ever Stays, Black White & Red All Over

I wish you took back what you said...it's in my head...it's all over town in the papers to be, red...is y

Is there anything worth...fighting for.
So much times been wasted...all on you

chorus: i won't let you bring me down...cause your
way too much for me to carry.
So take your lieing eyes and leave
cause it's all over town now...it's all over town

2nd vs.

Your beauty is just skin deep...not where it counts.
Go on and pour a glass but i will not drink one ounce...of your pain...you brought it all...theres no ex
