

Nothingface, Communist

You know if you were exorcised
Demoralized, it'll all be right.....yeah!
I'll grab my pen and write about
Kryptonite, so you can feel all right

You can build a bomb of lies
That doesn't hide who you are inside
You motherfuckers, it's all about shit

The bullshit runs off your tongue like spit
The psychotropic demi-god

It seems like you've been industrialized
Colorblind or just sold out yeah!
I never thought it would be like this
A million screaming mouths
A million pounds of shit you motherfuckers
All you fuckers just waste our time
Talking heads on sticks
Sucking corporate dicks
You motherfuckers
It's all about shit

The bullshit runs off your tongue like spit
The psychotropic demi-god

We'll always be the same
No matter who you are
(I hate this....I hate this...I hate this...)

6. In Avernus

Hate is nothing new
Murderers watching every step
Ignorance - oblivious to all the evidence
Repent - for all that were innocent
Forget - so we all can rest

Hey it's the end of time
We all will see it our lifetime
We all will die.....Violently

It's painted in the sky
We all can see it
but ignore it...& live our lives

The fear of dying
it finds us
no matter where we hide ourselves
Hide - some place in hell
In spite of living
The dead men
Know where we can hide away
Far away

Hey it's the end of time
We all will see it our lifetime
We all will die.....Violently

It's painted in the sky
We all can see it
but ignore it...& live our lives

We all enjoy the blood

It calms the rage within
Ingest deceit to cope

We never wanted this
We never saw the risk
We never wanted this

If we could only see the past the shit
and learn the truth
maybe someone could adapt
and show us how to change things
We invented the way to terrify en masse
and we all wonder why
when someone wants to kill us

Hey it's the end of time
We all will see it our lifetime
We all will die.....Violently

It's painted in the sky
We all can see it
but ignore it...& live our lives

Hate is nothing new
Murderers watching every step
Ignorance - oblivious to all the evidence
Repent - for all that were innocent
Forget - so we all can rest
