

Notis Sfakianakis, A Dull Landscape

(Music: Dimitris Kordatzis, Lyrics: Vasilis Papadopoulos)

I drank again
Hollow dreams
To mend
And to use jokes
To find an excuse
To get into a fight

Tonight the blocks
When I come home
Look to me like octagons
And the landscape gray

I drank again
Lost rights
I wanted to give you
And in my dizziness
I reached the dawn again
