

# Novembre, Nostalgiaplatz

[Solo: Massimiliano]

No longer I stand this sea of light  
No longer I stand the gift of god  
Screaming, sighing, sighing ,  
screaming, crying loud

The old boat sailed out of sight  
Taking my feelings off, afar  
It leaves me, drying, dry;  
It leaves me crying now

[Solo: Carmelo]

No longer I stand these fields of shine  
No longer I stand this sea of light  
So why not moving to Nostalgiaplatz  
Together, forever, together
