

# Novembre, Swim Seagull in the Sky

(SOLO - Carmelo)

Speechless

Unreal

Drowning in an abyssal silence

Slowly moving through this immensity

I fly, swimming in this darkblue sky

It's cold, I'm scared and besides rust

Even ice covers these doors

(SOLO - Antonio)

God knows hoe I'd be awake now

God knows how my eyes would tear now

God knows how I wouldn't lose my way

God knows how scared I am

How the seagull would pass away:

(SOLO - Carmelo)

Swim seagull in the sky
