

Novembre, Swim Seagull in the Sky

(SOLO - Carmelo)

Speechless
Unreal
Drowning in an abyssal silence

Slowly moving through this immensity
I fly, swimming in this darkblue sky
It's cold, I'm scared and besides rust
Even ice covers these doors

(SOLO - Antonio)

God knows hoe I'd be awake now
God knows how my eyes would tear now
God knows how I wouldn't lose my way
God knows how scared I am
How the seagull would pass away:

(SOLO - Carmelo)

Swim seagull in the sky
