Baby shake shake shake for the party time
Like crazy dancer's body like crazy dancer's body
Baby yeah yeah yeah scream all night
Like crazy singer's music like crazy singer's music
(Rap)

Its a burning night, my heart is racing
Everyone shake it, its a Saturday night
Dont be self conscious and just shake it
Yea yea like that, come to me quick!
Your breath makes my heart explode
I feel the energy all around me
Foward, backward once, 1 2 3 4, to the right, to left two times, 2 2 3 4
I cant give up on you now
I cant keep you away forever

Im standing right here and you cant just pass me by
I will watch over you till the end
I will pull on the lightswtich in your heart
Till this song ends, till this night is over
Come to me, quickly come to me, just come to me like this dont say anything
This moment right now, dont think about anything, dont leave, this is my last choice
Baby shake shake shake for the party time
Like crazy dancer's body like crazy dancer's body
Baby yeah yeah yeah scream all night
Like crazy singer's music like crazy singer's music
(Rap)

Why are you mad all of a sudden?
I went easy on you, but still you are very angry
If you arent enjoying the time like this, then I dont know what to do
I cant figure out what to do in this situation
This is whats going on, its ok. Anything we do, its ok
Love is not that hard. We became one now
Love will just pass by
But someone once said that love is never easy
Cant be satisfied with only me, but you cant leave me alone
How can I understand? You are eventually so into me
Come to me, quickly come to me, just come to me like this dont say anything
This moment right now, dont think about anything, dont leave, this is my last choice
Baby shake shake shake for the party time
Like crazy dancer's body like crazy dancer's body
Baby yeah yeah yeah scream all night
Like crazy singer's music like crazy singer's music
Your sexy voice makes my heart race
My heart and myself is right here right now
All you have to do is just come to me
Come to me, quickly come to me, just come to me like this dont say anything
This moment right now, dont think about anything, dont leave, this is my last choice
Baby shake shake shake for the party time
Like crazy dancer's body like crazy dancer's body
Baby yeah yeah yeah scream all night
Like crazy singer's music like crazy singer's music
