

NRG, What Am I Do To?

What am I gonna do? Save me quickly, honey. I want you now.
What am I gonna do? Save me quickly, honey. I'll come running now.
I want to see you very much right now but
Why do you show no interest in me and always bat your eyes at this guy and
to that guy, nodding your head. To any guy you smile at them with your eyes.
I know I see I don't have a house or any manners.
My computer is broken and my cellphone's been cut off.
I tried hard to live like this and that.
I don't have a secure job Instead I should just go to the Han River.
What am gonna do? I have nothing but you now. Was our love all a lie?
Loving alone again is going to be hard. Fix my sunken shoulders,
Come to me now.
What am I gonna do? Save me quickly, honey. I want you now.
What am I gonna do? Save me quickly, honey. I'll come running now.
I can't hold it back any more. I'm really angry now. I saw I saw.
You going into a disco club, but that's okay. I'm not timid. I'm not
restricting. I'm not.
Why of all things did you have to go in arm-in-arm with some guy?
I'm going insane.
Yea for 5 years I've become accoustomed to you
until I've been dry and worn out.
As if I have nothing to do I just drink
And use my card up. I can't even take or put anything in it.
I can't escape the card payments
I've come to the end of my life.
If I don't have you I'll become crippled.
What am I gonna do? Save me quickly, honey. I want you now.
What am i gonna do? Save me quickly, honey. I'll come running now.
I know now. That I'm a burden to you. That there's no hope or love for me.
If you could just come back for me, I'll forget all the things
that you've done.
I won't waste my time anymore so lets forget everything and start over.
Come to me now.
What about me? Save me quickly, honey. I want you now.
What about me? Save me quickly, honey. I'll come running now.
