

Nu Flavor, Baby Be There

Mmm, mmm, mmm

Yeah, yeah

I lay beside you in the warmth of the night

I can feel you breathe, I can hear you sigh so softly

Tell me now, baby, this feeling won't change

That it's a lasting love, not a passing phase, darling

I need to know I can depend on you

I need someone who's gonna see me through

Baby, be there

There when I need you

Tell me you care

Make me believe you

Promise you will stay by my side

Through the good times, through the bad times

Baby, just swear that you'll be there

Oh...whoa...ho...oh...

Yeah...mmm

Bring me your kiss for the rest of my life

Baby, fill my days (All my days), baby, light my nights with your love

I'll always be, will be there for you

So won't you tell me now that you'll be there too, darling

And every morning when the sun will rise (Yeah)

I wanna see love shining in your eyes (Ooh), tell me you'll still be mine

Baby, be there [I'll be there]

There when I need you (Need you)

Tell me you care

Make me believe you (Yeah, yeah)

Promise you will stay by my side

Through the good times, through the bad times

Baby, just swear that you'll be there

[Hoo...ooh..]

Won't you swear, my baby

Be there (Be there) with the love I can be sure of

I have all I need, baby, as long as I have your love

I wanna be the one you reach for each night, girl

So every night till the end of time

Baby, be there

Ooh...hoo...

Baby, be there

There when I need you

Tell me you care

Make me believe you

Promise you will stay by my side (Stay by my side)

Through the good times, through the bad times

Just swear (Ooh), you'll be there

Baby, just swear

Baby, be there [I'll be there]

There when I need you

Tell me you care

Make me believe you

Baby, be there [I'll be there]

There when I need you (Need you)

Tell me you care

Make me believe you

Promise you will stay by my side
