

# Nu Flavor, Did You See Her?

Oh, oh, oh, oh  
See that girl, everyone wants her  
If I could just have her  
Can't stop thinkin' about her  
I want her

She walks down the hallway  
Everyone stops to stare  
I watch her everyday  
But she pretends like I'm not there  
Can you see that I'm gonna be  
The one to say "Baby please";

Did you see her walkin' by  
When I'm feelin' down, just seein' her gets me high  
And somethin' gets me deep inside  
Just to see her walkin' by  
Did you see her look at me?  
Could it be?  
Maybe soon I'll be the one she'll see

She's the most popular girl  
But I see more  
Cause she moves my world  
She's amazing, oh Lord  
Can you see that I don't know what to do?  
That I'm just so crazy in love with you

Did you see her walkin' by  
When I'm feelin' down, just seein' her gets me high  
And somethin' gets me deep inside  
Just to see her walkin' by  
Did you see her look at me?  
Could it be?  
Maybe soon I'll be the one she'll see

What can I do just to be with you  
What can I say to have you look my way  
What can I be just to have you here with me  
I just want you to be mine  
So I can fall asleep at night

Did you see her walkin' by  
When I'm feelin' down, just seein' her gets me high  
And somethin' gets me deep inside  
Just to see her walkin' by  
Did you see her look at me?  
Could it be?  
Maybe soon I'll be the one she'll see
