

Number Nine, Cold Embracing

I had someone to hold me tight. I was high then she left me low. I'm walking lonely streets in Winter. I
I'm lost in memories. That I can't hide away. You're gone, my soul will freeze. Is this the price I pay...?
Cold Embracing, still amazing. My everlasting love.. Do you hear the calls I'm sending out? Cold Embracing
I see you walking next to me. There was magic in your eyes. The crowd would stare and then we broke
All lost in memories. Just on my mind. Aint there a chance for me. To make it up in time...?
Cold Embracing,
Cold Embracing,
