

Nuno Bettencourt, Long Way To Go

(with Dan Reed)

You and I
We got a long way to go
You hard wear a tear in your eye
You don't let it show
No no

People go on hurtin' people
It's just a way of the world
And I ask you
Where're you goin'?
But you don't know
We got a long way to go

Here we are
In a time unliking you before
We have everything that we need
But we want more
We always do:)

People go on hurtin' people
It's just a way of the world
And I ask you
(nd I ask you)
Where're you goin'?
(Where're you goin'?)
But you don't know
We got a long way to go

Somewhere down the light
There'll be peaceful time
We have no choise
Wake for the voice
That tells us-'What's up!'

Na na na...

You and I we have a long way to go
I hard wear a tear in my eye
I don't let it show
No no no no

People go on hurtin' people
It's just a way of the world
And you ask me
(nd I ask you)
Where I'm goin'
(Where're you goin')
But I don't know
I got a long way to go
I got a long way to go
I got a long way to go
Long way to go
