

# Nuno Bettencourt, My Sharona

Oh my little pretty worm, my pretty worm  
When you gonna give me some time, Sharona  
Oh you make my moderate, my moderate  
Gonna coming up for the light, Sharona

If I gonna start, give it up  
Such a dirthy  
My numb(?) is giving up for the touch  
of the end of kind  
My... whow

M-M-M-My Sharona 2x

Come a little closer oh  
Will you oh  
Closer not to look in my eyes, Sharona  
Keeping in a mistery  
Kiss to me  
Running down to lick to my fie(?), Sharona

If I gonna start, give it up...

My Sharona 2x

When you gonna give to me, give to me  
Is it just a matter of time, Sharona  
Is it a destiny, a destiny  
Or is it just a game in my mind, Sharona

If I gonna start...

My-my-my-my-my whow  
My Sharona 4x  
ooh my Sharona 3x
