

# Nuno Bettencourt, The Swing

I can't stop  
I'm clearing a path  
I'm packing a fury  
You try to deter me  
I'm taking you down

It's all mine  
Get out of my way  
Go hide in a corner  
I already warned you  
I'm taking it all

I need to  
Focus in  
Pick up on the scent  
Can already taste it  
I'm not gonna waste it  
I'm making a move

I gotta swing (got to swing)  
Take it like a man (got swing)  
You didn't think it was going to be easy  
(got to swing) bash your passion in  
(got to swing) you gotta know how to swing

Hey you punk  
You think you can hang  
Why you mopin  
Your mouth should be open  
Screaming attack

Come on you gotta  
Go get some  
Let's see what you got  
It's there for the taking  
How bad do you want it  
Don't second your thoughts

You gotta swing  
(got to swing)  
Take it like a man  
(got swing got swing)  
You didn't think it was going to be easy  
(got to swing)  
Bash your passion in  
(got swing got swing)  
You gotta know how to swing
