

Nuts Can Surf, Vo5

I get my wish
25 percent
Of f*ckin' nothin'
Have to scratch my soul
Start at the start
In a search 4 time
With the cotton flava
I bar-b-que
That's crazy sh*t
I got your kid
AnD ill give em back
For a million dollars
Sun fire heat
A dusty death
All in all its all right
But it never ends
