

# Nuttea, Cover Up

J&#039;ai le coeur meurtri, je n&#039;ai plus de patrie  
Sinon celle d&#039;un peuple banni  
D&#039;un syst&#039;me o l&#039;amour est un luxe  
Seen ? UB40, Nuttea

Refrain

Ub 40

Cover up with loving protection  
Guard your love in every direction  
Don&#039;t give up for fear of rejection  
Stand your ground and voice an objection

Run away my sister and brother  
Be afraid of love when the lover  
Tries to read the book by the cover  
Wrapped up in the arms of another

Refrain

Ub 40

Cover up prolonging the yearning  
Just ahead the fires are burning  
Swim for shore the tides are now turning  
Love the ones you love with your learning

Refrain

Nuttea

Couvre-la de toute ton affection  
Prot&#039;ge-la dans toutes les directions  
Garde-la dans ses grandes ambitions  
Ecoute-la de toute ton attention

Les chants s&#039;ivent tels des oriflammes  
Comme un message qui toucherait les mes  
La presse est l pour couvrir le drame  
Mais qui se doute du pige qui se trame

Refrain

Nuttea

Got to be safe if you want to be free  
Got to be safe if you want to be free  
To sit in the shade of the family tree  
To sit in the shade of the family tree  
Je vois partir mes frres et mes soeurs  
Et c&#039;est comme toute une nation qui meurt  
Que ma voix se fasse l&#039;cho des pleurs  
Ne laissons pas dominer nos peurs

Refrain

Nuttea

UB40 & Nuttea

Got to be safe if you want to be free  
Got to be safe if you want to be free  
To sit in the shade of the family tree  
To sit in the shade of the family tree
