

Nylon Beat, Fighter

I'm a fighter
In the name of love
Defending
My broken heart

I'm a fighter
In a threatening war
That's tearing
Our love apart

There's a crime going on
That I'm gonna stop
There's somebody's eye on you
I will fight for my love
I won't give it up
'Cause I'm a revengeful fool

I'm a fighter
In the name of love
Defending
My broken heart

I'm a fighter
In a threatening war
That's tearing
Our love apart

There's no prisoners of war
And no mercy at all
I'm struggling to keep you all mine
I'm a ninja for love
And make my enemies fall
My sword will strike and shine

I'm a fighter
In the name of love
Defending
My broken heart

I'm a fighter
In a threatening war
That's tearing
Our love apart

I'm a fighter
In the name of love
Defending
My broken heart

I'm a fighter
In a threatening war
That's tearing
Our love apart
