

O.C. Supertones, I Love God

Gotta give me something that will last
Someone that won't judge my past
Give me a future that is bright
Open my eyes to the light

I love God and God loves me
He sets the chosen people free
I love God and God loves me
He sets the chosen people free, today

He is the way the truth and light
He is the way I'll say I'm right
He gives me hope and He gives me peace
His grace and love will never cease
