

# O.C. Supertones, So Great A Salvation

(Verse 1)

Woke up this morning  
And I just had to thank God for my life  
Just read through James' book  
Start to pray and I ask God for a wife\*  
It's a time of devotion  
As I sit and speak to my God unseen  
Why should He listen?  
Well I love Him and He's in love with me

(Chorus)

Why me God? Why should You choose me?  
On your team God, can You use even me?

(Verse 2)

I think a few years back  
On a road that headed to nowhere  
Now that You found me  
I can see that You were always there  
So great a salvation  
But to You my Jesus what am I worth?  
It's quiet times like this  
I feel I get a glimpse of Heaven right here on earth

(Chorus)

Why me God? Why should You choose me?  
On your team God, can You use even me?

(Bridge)

Oh, hold me in your arms of love  
Sometimes I swear I feel your heartbeat  
I could never ever thank You enough  
But here's my life for whatever it's worth
